PLUMBERS, DRAINERS AND RESTRICTED LICENCE FEES

EFFECTIVE 1 JULY 2023 - 30 JUNE 2025

Our fees and charges increase on 1 July each year. On 1 July 2023 our fees and charges were increased in line with legislative requirements. You can contact us to find out details about specific fees, charges or prices.

Applying

QBCC may issue a Provisional licence for Plumbers, Drainers and Restricted Licensees. If you have been issued a Provisional licence you will need to reapply each year.

Note: QBCC may grant you a Provisional licence to obtain 12 months lawful experience post apprenticeship. Once you have 12 months lawful experience under a Provisional licence then you can apply for an Occupational Plumber, Drainer or Restricted licence.

If you are applying for a Plumber, Drainer or Restricted licence with lawfully gained experience, you will need to pay an administration fee of \$75.68 in addition to the application fee. You have the option of paying for a licence from 1 to 5 years.

See Application Fees (inc. Administration Fee) below to find out what fee to pay with your application.

If you have already applied for another plumbing and/or draining licence within the same financial year, you don't need to pay the administration fee. Please see Application Fees (excl. Administration Fee) to locate the correct payment.

Renewing

You will receive a reminder notice every year and you can renew your licence from 1 to 5 years. In most cases you'll need to pay an amount which includes the administration fee. However there are exceptions. For example; provisional licensees cannot renew and will need to reapply.

See **Renewal Fees** below to find out what you need to pay.

Restoring

If your licence has expired you will need to pay the additional fee of \$82.84 to restore your licence. You can only restore your licence within 1 year after the day the licence expired. If you have not restored your licence within 1 year after the day the licence expired, you will need to reapply. See the Restoration Fees table below.

Associated QBCC Act licences

Please note: If you apply for, renew or restore a Plumbing and Drainage Occupational Licence and you apply for or hold an associated QBCC contractor, nominee supervisor or site supervisor licence, you no longer have to pay a Plumbing and Drainage Occupational Licence application or renewal fee. Further information is on the last page of this form or go to qbcc.qld.gov.au.
